FREQUENTLY ASKED QUESTIONS

Can I log directly into Webassessor?	No, when you log in to OWLS you will automatically be logged in to Webassessor.
Where are my vouchers?	We are transitioning away from vouchers. Instead, you are purchasing access to a product (like an exam) for 1 year. After purchase, learners can access Webassessor to schedule their exam. After scheduling, Webassessor will email the learner and test center a confirmation email. We ask that test takers bring this confirmation email with them if they are sitting for the FLS manual skills exam. This email will be attached to the FLS manual skills scores sheet filled out by the proctor and mailed to the SAGES office.
When will I receive my exam results?	Exam results will be emailed to you approximately 3-4 weeks after the exam date.
How do I submit my CME credits?	CME credits are automatically applied after a course is completed.
When will my exam reservation expire?	Reservations expire after one year.
Can I retake the FLS exam?	Yes, search "retest" in the catalog. Purchase and register the same as any exam.
Where do I find exam vouchers?	SAGES no longer uses "vouchers". Purchasing an exam on OWLS automatically creates an account for you in Webassessor, SAGES exam management system.
I'm an institution coordinator. How do I see how many exams (vouchers) I've purchased?	After logging into your account, click Manage Institutes. Click Products and note the numbers under Enrollment.
I forgot my username. How do I find out what it is?	Please contact the SAGES Fundamentals office (contact information below).

Do the FUSE Hospital Compliance Modules come in two formats?	The FUSE Hospital Compliance modules are available in two formats: for downloading to your institution's internal LMS or for use on SAGES LMS.
